You are invited to exhibit at the Annual Midwest Ag-Industries Exposition...MAGIE 2026! MAGIE is the most successful outdoor trade show in agribusiness and provides you with big returns for your exhibition dollar. In just two days you can meet with some of the top agribusiness professionals in the nation *and* display your products and services to the best dealers in the business... dealers who are the prime buyers in your marketing area.

MAGIE is known for its quality attendance, recognized professionals and discriminating buyers. MAGIE 2026 is "The Industry's Premier Outdoor Trade Show!"

Location

MAGIE 2026 will be held in Bloomington, IL at the McLean County Fairgrounds. The Fairgrounds are located at the junction of Interstates I-74, I-55, I-39, Route 51, Route 9 and Route 150.

This location appeals to all Illinois ag retailers as well as to those from Iowa, Indiana, Wisconsin, Missouri, Kentucky and the entire Midwest.

We know you will enjoy the accommodations and Bloomington-Normal has dozens of fantastic restaurants and entertainment spots. There is also a full service airport facility located on the southeast side of Bloomington.

Be a part of MAGIE's history and MAGIE's future---see you in Bloomington at the McLean County Fairgrounds.

Exhibit Space Information and Pricing

Ride and Drive Exhibitors:

700– 814; (50'w x 75') **\$1,750.00 each**
Additional static display space (50'w x 25')..... **\$300.00 each**

Static Displays:

200 - 600's (50'w x 60') **\$1,050.00 each**
A - R (25' x 25') **\$750.00 each**
1 - 24 (10' x 10') price includes electricity **\$750.00 each**

Ride and Drive Exhibitors:

700 - 814

These lots offer equipment access to the demonstration track. Each exhibitor is limited to purchasing only **two** lots in the 600 row but may purchase additional space running north in the north lot and west in the south lot in increments of 50' x 25' for their static displays and tents.

Static Displays:

100 - 600's; A - R

These spaces have been designated for static exhibits but have a larger turf area to display a greater variety of equipment.

1 - 24 (smaller lots)

These spaces are housed under a 40' x 140' pole tent that provides an excellent opportunity for the smaller exhibitor - perfect for technology displays, ag labs, chemical firms and other related products and service suppliers. Smaller booth sizes and a prime location to enhance traffic flow.

SPECIAL NOTE ON TENTS

If you do not use the listed Tent Companies for your tent or if your exhibit requires any digging on grounds, you must check with the show manager prior to installation. This is required to insure that no electrical lines are damaged.
