4R Technology Review Field Day

Tuesday, September 12, 2017

8:30 a.m., departing from the
Tuscola Outlet Mall

You're invited to a 4R Technology Review Field Day.

Retailers, farmers and others are invited to a free 4R Technology Review Field Day in Piatt County on Eric Miller's farm.

Hosted by the Illinois Fertilizer & Chemical Association in partnership with The Mosaic Company, Environmental Tillage Systems, The Fertilizer Institute and other industry leaders, this free event will provide attendees:

- Information on 4R practices
- Research and technology sessions
- Demonstrations

Guest speakers will include Dr. Robert Hoelt, NREC Research Coordinator, Kristen Greer, Mingwei Yaun, Lowell Gentry and Dr. Laura Christianson from the University of Illinois, and Dan Schafer, IFCA.

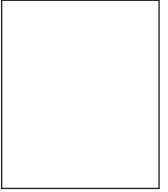

Continuing education credits will be available for certified crop advisers in attendance.

See you there! Tuesday, September 12, 2017

8:30 a.m.: Depart from Tuscola Outlet Mall (west end, gravel parking lot) to go to Eric Miller's farm
9:00: Tour NREC research site
