*Class 4 is available to those firms and individuals who have and share the aims and purposes of the IFCA and who cannot take membership in Classes 1, 2 or 3.

The dues structure is based on company membership. People are still the important ingredient to the success of any organization; therefore, provisions have been made to allow individuals to join and participate as a voting member if they choose providing their company membership is in good standing. All memberships in good standing are permitted a vote.

(As of 4/1/13)
