Mark Stivers Memorial Motorcycle Ride

This memorial is in honor of past IFCA Board Member and Helena Chemical Company employee Mark Stivers. Mark was an avid motorcycle enthusiast and helped organize past rides for IFCA. We know he would be honored for this event to happen. This is a two day and one night event. The route for the ride will be announced later this summer. This ride will take place in August or September.

Please call or email, Leslie, leslief@ifca.com if you are interested. Additional details will be available closer to the ride date.

Cost: \$50 per rider to go towards the scholarship fund.
